**Address** Taboão da Serra, SP

### PITCH

I'm a UI/UX Designer with a strong background in web development. I have a passion for building products that delight people, I feel excited to work on big projects and love technology.

### EXPERIENCE

#### **Nestlé | Project Manager** 2014 - 2015

Worked as infrastructure project manager and cloud solutions coordinator. Implemented and managed the cloud security process; managed CAPEX execution.

- 3 projects delivered
- 15 cloud solutions security controls applied

#### **BASF | SAP Intern** 2013 - 2014

Tested SAP changes after they were done in the development environment, managed IT infrastructure assets requests and helped PMO manage IT projects.

- Implementation of a process to request IT assets
- R\$ 10.000,00 saved with IT assets in 3 months

#### **Addbiz | Full Stack Developer** 2010 - 2013

Designed and created UIs and graphic assets for hotspots, banners and e-mail marketing campaigns for an e-commerce. Developed hotspots using HTML, CSS, JavaScript, C#, PHP, MySQL and SQL Server.

- Learned much about many modern technologies
- Deployed hotspots for an e-commerce with 200.000+ users/month

### EDUCATION

#### **Startup Trainee | Gama Academy** 2016

5 weeks course immersed in the startup ecosystem along with successful CEOs to learn the necessary soft and hard skills required to work at startups.

- 3rd in the rank of best design students

#### **Information Systems | FIAP** 2012 - 2015
